

## RESUME FOR CHARLIE ROUSE:

I was born in Portland, Oregon and graduated from the University of Oregon with a Bachelor's Degree and have the following work experience:

- 15 years of experience in residential construction specializing in roofing, structural framing and foundation installation and repair.
- 5 years of experience as a home builder and licensed Realtor in the Portland area.
- 25 years as a member of the American Society of Home Inspectors.
- Past President of the Oregon Association of Home Inspectors.
- 10 years of service on the Home Inspector Advisory Committee helping the State of Oregon and Construction Contractors Board implement Home Inspector Certification and testing, as mandated by the Oregon Legislature.
- AMI is an approved continuing education provider with the State of Oregon and I have taught home inspection training classes at Portland Community College.

My goal is to treat each client as honestly, conscientiously and courteously as I would a family member.
